

Proposal to install an information board at the entrance to Te Henga (Bethells) Beach to amalgamate council signage.

Types of information to be included in the sign board:

- Relevant bylaws for Te Henga/Bethells beach
- Dog access rules and map
- Dune protection information
- Park open/close hours
- Dotterel information
- Maui dolphin information
- Tsunami information

NOTE: Water safety signs will need to remain as standalone signs to ensure visibility.

Proposed Design:

Similar specification to those installed in regional parks.

Approximately 2.2m high x 2.4m wide. Powder coated aluminium joinery windows as display cases, and ply roofs. Display case is 1.2 high and 2m wide and locked with a key.

Proposed Location:

Desired Outcome: reduce signage litter at beach access way

Current signage at the beach access way

Proposed information board design and location.
